There Can Be No Doubt About the Results in Clarksburg.

Results tell the tale. All doubt is removed. The testimony of a Clarksburg citizen

Can be easily investigated.

What better proof can be had?

A. J. Smallwood, retired merchant, 212 Poplar St., Clarksburg, W. Va.,

says: "Off and on for two years I suffered from a dull pain across my back. I couldn't sit still long without having pain. In the morning when I got up, I felt lame and sore. In sitting or lifting, I had to be very careful if I didn't want to suffer from sharp twinges. I saw Doan's Kidney Pills advertised in the local papers and thinking they might help me, I got a box at Wells & Haymaker's Drug Store. After taking them my back felt stronger and better than it had for a long time. Recently I had an attack of soreness across my back. I used Doan's Kidney Pills and was relieved immediately. I have publicly recommended Doan's Kidney Pills before and I am glad to confirm all I have ever said about them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Smallwood had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

## FOR STOMACH TROUBLE

John W. Skillen, of Sidney, Ohio, Has Found a Remedy.

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen, of Sidney, Ohio, says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without Vinol."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. ## CHAMPION

Ski Jumper of the World, Little Crown Prince Olaf Aspires to be.

CHRISTIANA, May 18.—The little Crown Prince Olaf, like every Norwegian boy, is striving to become the champion ski jumper of the world. He was given his first skis at the age of three years and during the last winter, at the age of eleven, he has been jumping from forty to fifty feet. He is as clever as any boy of his age at the sport and is so enthusiastic about it that he attends all the big contests.

Fascinated With Skiing. When King Haakon and Queen Maud came to Norway in 1905 they knew nothing about winter sports, but before their first winter was over the royal pair became fascinated with skiing and, under the tutelage of Captain Roll, the king's aide, who is one of the most expert ski runners in Norway, they became so proficient that they could compete with any native born of their age.

In the winter the royal family live for several weeks in a small house near the scene of the world's greatest ski derby. This house, which was a gift from the people, is built in the Norwegian peasant style and is furnished in true sportsman fashion. Neither the king or queen care much for royal ceremony and etiquette, so their vacation days at the ski grounds constitute the most enjoyable season of their year.

Took to Sports Readily. They found part cular pleasure recently in entertaining the Prince of Wales, their nephew, who tried skiing for the first time. The prince took to the Norwegian sports so readily that during the last day of his visit he made a trip to the high mountains and glaciers, a feat that is not considered lightly even by experienced mountain climbers. When he left for home he expressed the intention of coming back next winter, if possible.

## SISTER

Of Pope Pius is to Go to Castelgandolfo in Hopes of Improving Her Health.

ROME, May 18.—The elder of the pope's sisters, who is ailing, is to try the air of Castelgandolfo, where the pontiff has a summer villa, which he has never seen.

When Pius X. made this disposition for his sister he remarked, "I wish I could come too," which, however, is not to be taken too literally, as he has become so fond of the Vatican that he probably would not leave it if he could. The papal villa at Castelgandolfo was for years the favorite summer residence of numerous pontiffs, but has not been visited by a pope since 1869 when Pius IX. went there. There is nothing magnificent about it, with the exception of the view, but the garden is beautiful and the air is salubrious. The most important room in the house is the bed room of Pius IX, which is preserved just as it was when he was last there.

From the balconies of the villa the pope's sister will look down on the beautiful lake of Albano, perched above which is the monastery built by the last of the Stuarts, or, in the other direction, the cupola of St. Peter's across the plain crowning the Eternal City.

## ALLIANCE

Between Norway, Sweden and Denmark May be Arranged in the Near Future.

COPENHAGEN, May 19.—The possibility of a defensive alliance between Norway, Sweden and Denmark is occupying the serious attention of statesmen in all three of these Scandinavian countries.

Up until a few months ago such a combination was considered out of the question because of the friction between Norway and Sweden, whose union was dissolved in 1905. If Sweden joins such an alliance it will be because of the so-called Russian peril. On most questions since the dissolution of the union with Norway, Sweden has not been on very cordial terms with the other Scandinavian countries and it will take some great common danger to bring her into closer relations with her immediate neighbors.

The feeling that such an alliance will come is very strong in Norway. One of its strongest prophets is the arctic explorer, Dr. Frithjof Nansen, who believes that the understanding will come as soon as the necessity for it grows a little stronger. With Norway and Sweden seeking such an alliance it is certain that Denmark would make no objection to joining.

## Did You Read This Yesterday?

We described these six conveniences that have made 700,000 women use the

## HOOSIER

1. The Housekeeper's Food Guide.
2. The Cook Book Holder.
3. The Metal 50-lb. Flour Bin.
4. The Wonderful Shaker Sifter.
5. The Metal Linen Drawer.
6. The Emergency Shelf.

There are forty special conveniences in the new Hoosier—many of them labeled. Note the following:

(7) The new bill file is a complete book-keeping system for most households. Most women dislike book-keeping, but this simple hook file for meat and grocery bills on the upper middle door shows exactly which bills have been paid and which have not. With it you can keep a complete, simple record of all your money transactions.

(8) The "Money tray" on the upper right door is divided into three compartments. One is labeled "change," one "milk tickets," one "miscellaneous." You can keep all your milk or bread checks here and the small change you need for daily bills. This will save you many trips for your pocketbook.

Have you heard about the Experimental Room in the Hoosier factory where every Modern Kitchen Improvement is tested? Do you know that every one that passes the test is built into the Hoosier?

(9) Eight crystal glass spice jars with air-tight screw lids are a part of the regular Hoosier equipment. Notice their wide mouths, especially made to admit a spoon. Four have patented sifter tops that are air-tight except when in use. Notice particularly that they are located at the very finger tips of your right hand.

(10) A new condiment cupboard, especially fitted in above the flour bin, holds twelve bottles of ketchup, vinegar, salad dressing, etc., which can be so placed that you need not move one to get the other.

### See Our Window

(11) The table top of an improved sanitary metal slides out 16 inches beyond the base, so you can sit down at work. It locks automatically so you cannot drop it on your toes. There is not a corner anywhere that is not easy to keep clean. Most important of all, we guarantee this table will never warp.

(12) The big pocket for the lids and pans on the lower cupboard door is ready whenever you need it. You can get the pan or lid you need without stooping.

NOW DON'T WAIT TOO LONG. Remember, the chances are you need this new Hoosier in your kitchen. Its tested conveniences are a remarkable help in almost every kitchen. To decide fairly whether or not you do need it, you should examine it personally tomorrow. For tomorrow may be your last chance to have one of these New Hoosiers delivered on the Hoosier plan.
